Thank you to everyone who was able to attend the November 15th CAB meeting where we recapped the onsite meeting and reviewed the strategic initiatives we selected to move forward with market validation and requirements for. A copy of the presentation is attached for your reference.

If any of our CAB members are interested in participating in one or more of the strategic initiatives please let me know at your earliest convenience; if more than one member is interested in the same initiative costs can be shared between all participants.

If any 2018 member is not willing or able to participate in the 2019 CAB, also please let me know as we will be sending out the 2019 invitations to join shortly and priority will be given to our existing members.

Thank you again for your valuable contributions to the Clevest Advisory Board,

Carol
